

# BALTO S SERIES

Balto by Seneca is a comprehensive security appliance developed in collaboration with Milestone Systems, our fellow security industry leaders. Endorsed and validated by Milestone, in partnership with Dell, Balto by Seneca is a purpose-built solution designed to support the demands of the security system integrator. Effortless to launch, easy to manage, backed by Seneca's superior customer service and Dell's guarantee, Balto sets the new standard for physical security.

The Balto S Series offers the latest in storage technology, ideal for small to mid-tier projects and installations. Every use case and function of Balto storage has been calculated by our engineers to ensure a product that delivers best-in-class performance.

## KEY FEATURES

- Five-year global next-day, on-site service warranty
- ADAPT (Distributed RAID) with faster rebuild
- iSCSI
- Optimized SAN
- Easy bolt-on expansion for scalability
- Built-in data protection features
- Best used to support consolidated storage and extended retention time
- Scalable up to 4.032 PB in a smaller footprint than distributed video recorders
- Easy access to the video data with consolidated storage
