

MID TOWER

XVIEW PROFESSIONAL PLUS

The Seneca Experience puts the integrator first through innovation. We use decades of experience to accommodate our partners from planning and deployment to monitoring and post-sale support.

The Seneca xView Professional Plus client workstation is designed with multiple features and form factors to support video surveillance viewing. One of the most versatile client viewing stations on the market today, the xView Professional Plus will fit in almost any installation environment.

THE SENECA DIFFERENCE

SBAR

Seneca Backup and Recovery System

The new Seneca Backup and Recovery feature can capture a snapshot of your OS, apps, customizations and settings easily with three clicks, providing the flexibility to restore your systems to a factory image or from a snapshot all in one place.

1U RACKMOUNT
